Re: Santiago, et al v. Information Resources Inc.
Case No.: 20-cv-7688-AT-SN

Your Honor:

This firm represents the Plaintiffs and the putative collective in the above Equal Pay Act and employment discrimination action. We write, jointly with the Defendants, to request the case management conference currently scheduled for Wednesday, September 8, 2021, be adjourned *sine die*. The Parties are requesting this relief because since the Court entered the case management plan ordering this conference (*see* D.E. 29), the Court has referred all general pretrial matters (including scheduling, discovery, non-dispositive pretrial motions, and settlement) to the Honorable Sarah Netburn, U.S.M.J. *See*, D.E. 54. Judge Netburn has since entered an amended case management plan and scheduling order requiring the parties to submit a joint discovery status letter by January 24, 2022. *See*, D.E. 60.

Given the referral and the amended scheduling order, the Parties believe any pre-trial conferences, including any case management conference, should be before Judge Netburn as needed. No previous requests for an adjournment of the September 8, 2021 case management conference have been made. Granting this adjournment will not impact any other deadlines in this case.

GRANTED. The case management conference scheduled for September 8, 2021, is
ADJOURNED *sine die*.

SO ORDERED.
